

Directions to Heads Nook Hall and advanced evening meal bookings

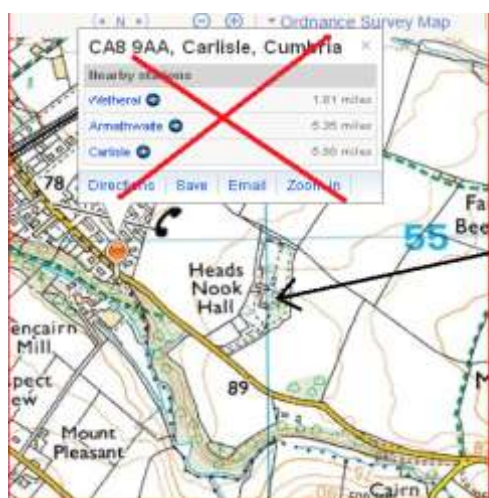

We are located 6 miles (approximately 10 minutes) east from Junction 43 of the M6.

****Be aware that there are now static traffic safety cameras installed on the A69 at Warwick Bridge.****
Bridge.**

From the North, South or West: take the A69 from J43 on the M6, in the direction of Hexham / Newcastle, and after 5 -6 miles turn right at the 1st set of traffic lights at Corby Hill / Warwick Bridge. Proceed through the village of Heads Nook. As you leave the village you will see end of speed limit signs, Heads Nook Hall is to the left, the large house behind trees.

From the East: turn left at the Corby Hill / Warwick Bridge traffic lights. These are the first set of traffic lights on the A69 about 3 miles having passed Brampton. Proceed through the village of Heads Nook, as you leave the village you will see the end of speed limit signs, Heads Nook Hall is to the left the large house behind the trees.

For Sat Nav Users our Postal code is **CAB 9AA** – unfortunately, this is slightly out of position on some mapping systems. See the map below. You need to continue out of the village. When you see the end of the speed limits signs, if you look to the left you will see a clump of trees. Heads Nook Hall is behind the trees.

This is correct location. Not that given by CAB 9AA

The Entrance from the main road is shown below.

Entrance sign from main road

Turn up the tree lined drive....Keep left as the drive forks at the top of the drive. You will then see a second arrowed sign to Heads Nook Hall. Visitor parking is available on the circular gravel area at the front of the house (next to the red post box).We will assist you with any luggage you have up to your room

Evening Meals arrange before you arrive. The good local evening eateries get booked up very quickly, especially on weekends and Holidays **so we strongly recommend that you book** these prior to your arrival. Just send us an email reception@headsnookhall.co.uk with the time you require, and we will arrange it for you, and then confirm back in an email.

Details of which restaurants we recommend locally can be found on our website page:
